

# TOWN HALL MEETING

## Authorization & Identity Fraud Prevention

We invite you to join our upcoming town hall meeting, featuring a panel of legal professionals, as we discuss the various types of impersonation fraud, including entity authorization fraud. This session will give title agents insights into what underwriters expect them to do, implications on your E&O insurance, and claim stories illustrating the impact of identity and authorization fraud. There will be time reserved for your questions and you can submit your questions ahead of time to: [liz@birminghamtitle.net](mailto:liz@birminghamtitle.net).
