

A New Career Pathway Into Michigan's Title Insurance Industry

Michigan's first Title Insurance Career Pathway - developed with industry leaders

In partnership with Mid Michigan College, the Michigan Land Title Association (MLTA) Career Pathway Committee has developed the first Title Insurance program of its kind in Michigan.

This 100% online program prepares students for entry-level careers in the title insurance industry, helping build Michigan's future workforce while offering students a practical, affordable pathway to a rewarding profession.

Why Choose the Michigan Land Title Pathway?

- 100% online and career-focused
- No four-year degree required
- Hands-on internship experience

Enroll at Mid Michigan College and explore the Michigan Land Title Pathway today.
